(b) In addition to the votes to which Declarant is entitled by reason of Section 3.04(a), for every one (1) vote outstanding in favor of any other person or entity, Declarant shall have four (4) additional votes until such time as such Declarant no longer owns any of the Lots.

(c) The right of any Owner to vote may be suspended by the Association, acting through the Board, for any period during which any Assessment against such Owner's Lot(s) remains past due, for any period during which such Owner or such Owner's Lot(s) is in violation of the Association Restrictions.

3.05. Duties of the Association. Subject to and in accordance with these restrictions, the Association acting through the Board shall have and perform each of the following duties:

(a) Association Property.

(1) Ownership and Control. To accept, own, operate, and maintain all Common Area, together with all improvements of whatever kind and for whatever purpose that may be located in said Common Area, and all sidewalks, pathways and private driveways and streets located within the Property.

(2) Repair and Maintenance. To maintain in good repair and condition the Common Area and all lands, Improvements, security devices, and other property owned by or leased to the Association, including, without limitation, all sidewalks, pathways, private streets, driveways and fences located within the Property.

(3) Taxes. To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to the Common Area to the extent that such taxes and assessment are not levied directly upon the Members. The Association shall have all rights granted by law to contest the legality and the amount of such taxes and assessments.

(b) Insurance. To obtain and maintain in effect policies of insurance that, in the opinion of the Board, are reasonably necessary or appropriate to carry out the Association's functions.

(c) Rules and Bylaws. To make, establish, and promulgate and in its discretion, to amend or repeal and re-enact the Bylaws and such Association Rules not in conflict with this Declaration, as it deems proper, covering any and all aspects of its functions, including the use and occupancy of Common Area. In the event of any conflict between the terms and provisions of the Articles, Bylaws, or any other Association Rules with this Declaration, the terms and provisions of this Declaration are intended to, and shall be controlling.

(d) Records. To keep books and records of the Association's affairs and to make such books and records, together with current copies of the Association Restrictions available for inspection by the Owners, Mortgagees, and insurers or guarantors of any Mortgage upon request during normal business hours.

(e) Other. To carry out and enforce all duties of the Association set forth in the Association Restrictions.

3.06. Powers and Authority of the Association. The Association shall have the powers of a Texas non-profit corporation, subject only to such limitations upon the exercise of such power as are expressly set forth in this Declaration, the Articles and the Bylaws. It shall further have the power to do and perform any and all acts that may be necessary or proper for, or incidental to, the exercise of any of the express powers granted to it by the laws of Texas or by this Declaration. Without in any way limiting the generality of the two preceding sentences, the Association and the Board, acting on behalf of the Association, shall have the power and authority at all times as follows:

(a) Assessments. To levy assessments as provided herein.

(b) Right of Entry and Enforcement. To enter at any time in an emergency without notice, or in a non-emergency after twenty-four (24) hours written notice, without being liable to any Owner or any other person or entity, upon any Lot or into any Improvement thereon, or to enter at any time without notice onto any Common Area, for the purpose of enforcing the Association Restrictions or for the purpose of maintaining or repairing any area, Improvement, or other facility to conform to the Association Restrictions. The expense incurred by the Association in connection with the entry upon any Lot and the maintenance and repair work conducted thereon shall be a personal obligation of the Owner of the Lot entered upon, shall be deemed a special Assessment against such Lot, shall be a lien upon the Lot entered upon and Improvements thereon, and shall be enforced in the same manner and to the same extent as provided in Article VI hereof for regular and special Assessments. The Association, acting through the Board, shall have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin any breach or threatened breach of the Association Restrictions. The Association, acting through the Board, is also authorized to settle claims, enforce liens, and take all such action as it may deem necessary or expedient to enforce the Association Restrictions; provided, however, that the Board shall never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, its successors or assigns. Notwithstanding any provision herein to the contrary, the Association may not alter or demolish any Improvements on any Lot other than Common Area or Association Property in enforcing the Association Restrictions before judicial proceedings are instituted by the Association or the written consent of the Owner(s) of the affect Lot(s) has been obtained. Each such Owner shall indemnify and hold harmless the Association, its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this Section 3.06(b) **(INCLUDING ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT**

OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or wilful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.

(c) Conveyances. To grant and convey to any person or entity any real property and/or other interest, including fee title, leasehold estates, easements, rights-of-way, or Mortgages, out of, in, on, over, or under any Association Property for the purpose of constructing, erecting, operating, or maintaining thereon, therein, or thereunder:

(1) Roads, streets, walks, street lights, driveways, parking lots, trails, paths and fences;

(2) Lines, cables, wires, conduits, pipelines, or other devices for utility purposes;

(3) Sewers, water systems, storm water drainage systems, sprinkler systems, and pipelines, or any other water quality features or improvements; or

(4) Any similar improvements or facilities.

Nothing set forth above, however, shall be construed to permit the use or occupancy of any improvement or other facility in any way that would violate applicable use and occupancy restrictions imposed thereon by the Association Restrictions, or by any governmental authority.

(d) Manager. To retain and pay for the services of a Manager to manage and operate the Association, including the Association Property, to the extent deemed advisable by the Board; provided, however, that the Board will have no power to discharge, limit the authority of or interfere with the exercise of functions by, a Manager for the Property appointed pursuant to the Master Declaration. Additional personnel may be employed directly by the Association or may be furnished by the Manager. To the extent permitted by law, the Association and the Board may delegate any duties, powers, and functions to the Manager. The Members of the Association hereby release the Association and the members of the Board from liability for any omission or improper exercise by the Manager of any such duty, power, or function so delegated.

(e) Legal and Accounting Services. To retain and pay for legal and accounting services necessary or proper in the operation of the Association.

(f) Common Area Services. To pay for water, sewer, garbage removal, landscaping, gardening, and all other utilities or services to, and all maintenance of the Common Area, including, but not limited to, any recreational facilities; to maintain and repair any recreational facilities, easements, roads, roadways, rights-of-way, parkways, median strips, sidewalks, paths, trails, fences, ponds, lakes located within or upon the Common Area, and to maintain and repair other portions of the Common Area.

(g) Other Services and Properties. To obtain and pay for any other property and services, and to pay any other taxes or Assessments that the Association or the Board is required or permitted to secure or to pay for pursuant to applicable law or under the terms of the Association Restrictions.

(h) Construction on Association Property. To construct new Improvements on or additions to Association Property.

(i) Contracts; Property Ownership. To enter into contracts with Declarant and with other persons or entities on such terms and provisions as the Board shall determine, and to acquire, own, and dispose of all manner of real and personal property, whether by grant, lease, gift, or otherwise.

3.07. Indemnification. To the fullest extent permitted by applicable law, but without duplication of (and subject to) any rights or benefits arising under the Articles or Bylaws of the Association, the Association shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that such person is or was a director, officer, committee member, employee, servant, or agent of the Association against expenses (including attorney's fees, judgments, fines, and amounts paid in settlement) actually and reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court that such person: (i) acted in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interests of the Association; or (ii) with respect to any criminal action or proceeding, had no reasonable cause to believe such conduct was unlawful. The termination of any action, suit, or proceeding by settlement, or upon a plea of Nolo Contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner reasonably believed to be in, or not opposed to, the best interests of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful. The Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee, servant, or agent of the Association, against any liability asserted against such person or incurred by such person in any such capacity, or arising out of the status of such person as such, whether or not the Association would have the power to indemnify such person against such liability hereunder or otherwise.

ARTICLE IV

INSURANCE AND CONDEMNATION

4.01. Insurance. Each Owner shall be required to maintain insurance on the Improvements located upon such Owner's Lot, providing fire and extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for Improvements similar in construction, location and use. Such insurance policies shall be for the full insurable value of the Improvements constructed upon each Lot, shall contain extended coverage and replacement costs endorsements, if reasonably available, and may also contain vandalism and malicious mischief coverage, special form endorsement, a stipulated amount clause and a determinable cash adjustment clause. The Master Association and the Association shall not be required to maintain insurance on the Improvements constructed upon any Lot. The Master Association and the Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Master Board or the Board in their discretion may deem necessary. Insurance premiums for such policies shall be a common expense to be included in the assessments levied by the Master Association and the

Association, as the case may be. The acquisition of insurance by the Master Association and the Association shall be without prejudice to the right and obligation of any Owner to obtain additional individual insurance.

4.02. Restoration. In the event of any fire or other casualty, the Owner shall promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement shall be commenced and completed in a good and workmanlike manner using exterior materials identical to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within thirty (30) days after the occurrence of such damage or destruction, and thereafter prosecute same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) after the occurrence of such damage, the Master Association or the Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner shall be personally liable to the Master Association or the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by law, regulation or administrative or public body or tribunal from commencing such repair, restoration, replacement or clean-up, the rights of the Master Association or the Association under this sentence shall not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Master Association or the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1-1/2%) per month) shall be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot shall be secured by the liens reserved in the Master Declaration or the Declaration for Assessments and may be collected by any means provided in the Master Declaration and/or Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). Each such Owner shall indemnify and hold harmless the Master Association, the Association, and their officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Master Association's or the Association's acts or activities under this Section 4.02, except for such cost, loss, damage, expense, liability, claim or cost of action arising by reason of the Master Association's or the Association's gross negligence or wilful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.

4.03. Condemnation. In the event that an action in eminent domain is brought to condemn a portion of the Common Area, the Master Association, in addition to the general powers set out herein, shall have the sole authority to determine whether to defend or resist any such proceeding, to make any settlement with respect thereto or to convey such property to the condemning authority in lieu of such condemnation proceeding. With respect to any such taking, all damages and awards shall be determined for such taking as a whole and not for each Owner's interest therein. After the damages or awards for a taking are determined, the damages or awards shall be divided uniformly with equal shares being allocated to each Lot, and thereafter such equal shares shall be paid to the account of each Owner and Mortgagee as their interests may appear, as disclosed to the Master Association in writing.

4.04. Mechanic's and Materialmen's Lien. Each Owner whose structure is repaired, restored, replaced or cleaned up by the Master Association or the Association pursuant to the rights granted under this Article IV, hereby grants to the Master Association or the Association, as the case may be, an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Master Association or the Association. Upon request by the Board or the Master Board and before the commencement of any reconstruction, repair, restoration or replacement, such Owner shall execute all

documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Master Association or the Association.

ARTICLE V

ARCHITECTURAL GUIDELINES

5.01. Compliance with Design and Architectural Guidelines. Any and all Improvements erected, placed, constructed, painted, altered, modified, or remodeled on any portion of the Property shall strictly comply with the requirements of the Declaration and the Architectural Guidelines, unless a variance is obtained pursuant to Section 5.03.

5.02. Adoption of Rules and Regulations. The Master Architectural Control Committee shall have the authority to adopt such procedural and substantive rules and guidelines (including without limitation the imposition of any requirements for certificates of compliance or completion relating to any Improvement), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder, including rules and guidelines establishing and describing its review procedures, and principles and criteria used in its review. The Master Architectural Control Committee may amend or modify or supplement its rules and guidelines from time to time as the Master Architectural Control Committee deems advisable. In addition the Master Architectural Control Committee shall have the power and authority to impose such reasonable charges for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges shall be held by the Master Architectural Control Committee and used to defray the administrative expenses incurred by the Master Architectural Control Committee in performing its duties hereunder, provided, however, that any excess funds held by the Master Architectural Control Committee shall be distributed to the Master Association at the end of each calendar year.

5.03. Variances. The Master Architectural Control Committee may grant variances from compliance with any of the provisions of this Declaration or the Architectural Guidelines or when, in the opinion of the Master Architectural Control Committee, in its sole and absolute discretion, such variance will not be adverse to the overall development plan for the Property, and such variance is justified due to visual or aesthetic considerations or unusual circumstances. All variances must be evidenced in writing and must be signed by at least a majority of the members of the Master Architectural Control Committee. Plans and specifications which have been approved by the Master Architectural Control Committee without conditions or exception and which reflect deviations from this Declaration or the Architectural Guidelines shall constitute a writing for the purpose of the foregoing sentence. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Architectural Guidelines shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance shall not operate to waive or amend any of the terms and provisions of this or Architectural Guidelines for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance shall not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions hereof.

ARTICLE VI

COVENANT FOR ASSESSMENTS

THE PROVISIONS CONTAINED IN THIS ARTICLE VI SHALL BE OPERATIVE ONLY IN THE EVENT A HOMEOWNERS ASSOCIATION IS CREATED PURSUANT TO SECTION 3.01;

PROVIDED, HOWEVER, THAT THE MASTER ASSOCIATION MAY AVAIL ITSELF OF THE LIENS RESERVED IN SECTION 6.08 FOR THE PURPOSE OF DISCHARGING ANY LIABILITY INCURRED BY AN OWNER AS A RESULT OF SUCH OWNER'S VIOLATION OF ANY TERM OR PROVISION OF THIS DECLARATION.

6.01. Assessments. Each Owner of any Lot, by acceptance of a deed therefor or ownership interest thereto, whether or not it shall be so expressed in any such deed or other conveyance document, shall be deemed to covenant to pay to the Association: (i) Assessments or charges (as specified in Section 6.03 hereof); (ii) Special Assessments (as specified in Section 6.04 hereof); and (iii) late charges (as specified in Section 6.06 hereof). All of such Assessments shall be fixed, established, and collected from time to time as hereinafter provided. **The Assessments provided for under this Article VI shall be in addition to the assessments levied pursuant to the Master Declaration.** Notwithstanding any provision in this Declaration to the contrary, Assessments shall not be assessed against any Lot owned by Declarant.

6.02. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the comfort, health, safety, and welfare of the Owners, and the maintenance and improvement of the Property or any part thereof, including, without limitation, Common Area, and for carrying out the purposes of the Association as stated herein or as otherwise provided in the Articles or Bylaws.

6.03. Establishing Assessments. Each fiscal year, the Board shall estimate the expenses to be incurred by the Association during each year in performing its functions with respect to the Property, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided, and as between the Lots within the Property, the amount of the Assessments levied against each Lot shall be equal and uniform. The level of Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time, and from time to time, levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable by each Owner to the Association during the fiscal year in equal monthly, quarterly, semi-annual, annual, or other periodic installments, as the Board determines in its sole discretion, on or before the first day of the applicable period.

6.04. Special Assessments. In addition to the Assessments authorized by Section 6.03 hereof, the Association may, by vote of its Members as set out in Section 6.04A hereof, levy special Assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of any Improvement located upon any of the Common Area, or any portion of the Property owned by the Association, including the necessary fixtures and personal property related thereto, or for carrying out other purposes of or otherwise benefitting the Association.

6.04A. Vote Required for Special Assessment. Special Assessments levied against the Owner(s) of a particular Lot to cure violations of the Association Restrictions by such Owner(s) shall be deemed approved and authorized automatically upon the occurrence of the events giving rise to such curative special Assessments. Special Assessments to be levied against all Owners as authorized by Section 6.04 hereof must be approved by a majority of the total votes of the membership of the Association determined in accordance with Section 3.03 of this Declaration, voting in person or by proxy, at a meeting duly called for such purpose, written notice of which shall be given to all Members in accordance with the Bylaws.

6.05. Due Date of Assessments. The first Assessment shall become due and payable on each Lot in accordance with the periodic payment schedule established by the Board in accordance with Section 6.03. The due date of any special Assessment hereunder shall be fixed in the resolution authorizing such Assessment or, if not so fixed or established by other terms of this Declaration, the first day of the first month following the imposition of such special Assessment. Payments shall be considered delinquent if not paid within five (5) days after their due date. Where the obligation to pay an Assessment first arises after the commencement of the fiscal year or any other period for which the Assessment was levied the Assessment shall be prorated as of the date when the obligation first arose in proportion to the amount of the Assessment year or other period remaining after said date.

6.06. Late Charges. If any Assessment is not paid before it is delinquent, the Owner responsible for the payment thereof may be required by the Board to pay a late charge at such rate the Board may designate from time to time, and such late charge (and any reasonable handling costs therefor) shall be a charge upon the Lots owned by the said Owner to which the Assessment relates, collectible in the same manner as herein provided for collection of Assessments, including foreclosure of the lien against such Lot(s); provided, however, such charge shall never exceed the maximum charge permitted under applicable law.

6.07. Owner's Personal Obligation for Payment of Assessments. The Assessments and late charges provided for herein shall be the personal and individual debt of each Owner. No diminution or abatement of Assessments shall be allowed for inconveniences arising from the making of repairs or improvements to the Common Area or any Lot, and no Owner may exempt himself from liability for such Assessments and charges through non-use of such Owner's Lot or otherwise.

6.08. Assessment Lien and Foreclosure. All sums assessed or charged in the manner provided in this Article but unpaid, together with all costs and expenses of collection, including reasonable attorney's fees, are secured by a continuing Assessment lien and shall constitute a charge on or against the Lot covered by such Assessment or charge, which shall bind such property in the hands of the Owner, and such Owner's heirs, devisees, and personal representatives, successors or assigns. The obligation to pay Assessments hereunder is part of the purchase price of each Lot when sold to an Owner. An express lien on each Lot is hereby granted and conveyed by Declarant to the Association to secure the payment thereof in each such instance, each such lien to be superior and paramount to any homestead or other exemption provided by law. The aforesaid lien shall be superior to all other liens and charges against the said Lot, except only for tax liens, and all sums unpaid secured by a first-lien Mortgage securing sums borrowed for the purchase or improvements of the Lot in question, provided such Mortgage was recorded in the Real Property Records of Travis County, Texas before the delinquent Assessment was due. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination must be signed by an officer of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice shall be signed by one of the officers of the Association and shall be recorded in the Real Property Records of Travis County, Texas. Each Owner, by accepting a deed to a Lot subject to this Declaration, shall be deemed conclusively to have granted a power of sale to the Association to secure and enforce at any time after such payment becomes delinquent by the non-judicial foreclosure of such lien on the defaulting Owner's Lot by the Association in like manner as a deed of trust or real property mortgage with power of sale under Tex. Prop. Code § 51.002. (For such purpose, Robert D. Burton of Travis County, Texas is hereby designated as trustee for the benefit of the Association, with the Association retaining the power to remove any trustee with or without cause and to appoint a successor trustee without the consent or joinder of any other person.)

The Assessment liens and rights to foreclosure thereof shall be in addition to and not in substitution of any other rights and remedies the Association may have by law and under the Association Restrictions, including the rights of the Association to institute suit against the Owner personally obligated to pay the Assessment for monetary damages and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or non-judicial, the Owner shall be required to pay the costs, expenses, and reasonable trustee's and attorney's fees incurred. The Association shall have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee holding a prior lien on any Lot, the Association shall report to said Mortgagee any Assessments remaining unpaid for longer than thirty (30) days after the same are due. The lien hereunder shall not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any first-lien Mortgage, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments shall be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the first-lien Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Lot Owner from paying assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this paragraph, the Association shall upon the request of the Owner execute a release of lien relating to any lien for which written notice has been filed as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release shall be signed by an officer of the Association.

6.09. Exemptions. Notwithstanding any provision herein to the contrary, all Common Area and Master Common Area shall be exempt from the payment of any Assessment levied by the Association, regular or special.

ARTICLE VII

MORTGAGE PROTECTION

7.01. Examination of Books. The Association shall permit Mortgagees to examine the books and records of the Association during normal business hours upon one business day's notice (not less than 24 hours).

7.02. Taxes, Assessments and Charges. All taxes, assessments and charges which may become liens prior to first lien mortgages under local law shall relate only to the individual Lots and not to the Property as a whole.

ARTICLE VIII

GENERAL PROVISIONS

8.01. Duration. This Declaration and the covenants, conditions, restrictions, easements, charges, and liens set out herein shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Declaration is recorded in the Real Property Records of Travis County, Texas, and continuing through and including January 1, 2050, after which time this Declaration shall be automatically extended for successive periods of five (5) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved in a resolution adopted by members of the Association, entitled to cast at least seventy percent (70%) of the total number of votes

of the Association, voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall be given to all Members at least thirty (30) days in advance and shall set forth the purpose of such meeting; provided, however, that such change shall be effective only upon the recording of a certified copy of such resolution in the Real Property Records of Travis County, Texas.

8.02. Amendment. This Declaration may be amended or terminated by the recording in the Real Property Records of Travis County, Texas, of an instrument setting forth the amendment executed and acknowledged by (i) the Declarant, acting alone; or (ii) Declarant and at least seventy percent (70%) of the Owners with each Owner being allocated one (1) vote for each Lot owned by such Owner.

8.03. Notices. Any notice permitted or required to be given by this Declaration shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered on the third (3rd) day (other than a Saturday, Sunday, or legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the person at the address given by such person in writing to the Secretary of the Association for the purpose of service of notices, or to the residence located on the Lot owned by such person if no address has been given to the Secretary of the Association. Such address may be changed from time to time by notice in writing given by such person to the Secretary of the Association.

8.04. Interpretation. The provision of this Declaration shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Property, provided, however, that the provisions of this Declaration shall not be held to impose any restriction, condition or covenant whatsoever on any land owned by Declarant other than the Property. This Declaration shall be construed and governed under the laws of the State of Texas.

8.05. Construction Activities. This Declaration shall not be construed so as to unreasonably interfere with or prevent normal construction activities during the construction of improvements upon Lots within the Property, so long as such construction is pursuant to proper approval of the Master Architectural Control Committee.

8.06. Gender. Whenever the context shall so require, all words herein in the male gender shall be deemed to include the female or neuter gender, all singular words shall include the plural, and all plural words shall include the singular.

8.07. Assignment of Declarant. Notwithstanding any provision in this Declaration to the contrary, Declarant may, by written instrument, assign, in whole or in part, any of its privileges, exemptions, rights, and duties under this Declaration to any person or entity and may permit the participation, in whole, in part, exclusively, or non-exclusively, by any other person or entity in any of its privileges, exemptions, rights, and duties hereunder.

8.08. Enforcement and Nonwaiver.

(a) Except as otherwise provided herein, any Owner of a Lot, at such Owner's own expense, Declarant, the Master Association and/or the Association shall have the right to enforce all of the provisions of this Declaration. The Association or Master Association may initiate, defend or intervene in any action brought to enforce any provision of this Declaration. Such right of enforcement shall include both damages for and injunctive relief against the breach of any provision hereof.

(b) Every act or omission whereby any provision of the Association Restrictions is violated, in whole or in part, is hereby declared to be a nuisance and may be enjoined or abated by any Owner of a Lot (at such Owner's own expense), Declarant, the Master Association or the Association.

(c) Any violation of any federal, state, or local law, ordinance, or regulation pertaining to the ownership, occupancy, or use of any portion of the Property is hereby declared to be a violation of this Declaration and subject to all of the enforcement procedures set forth herein.

(d) The failure to enforce any provision of the Association Restrictions at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of the Association Restrictions.

8.09. Construction. The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion hereof shall not affect the validity or enforceability of any other provision. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine, or neuter shall each include the masculine, feminine, and neuter. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit, or otherwise affect that which is set forth in any of the paragraphs, sections, or articles hereof.

ARTICLE IX

DEVELOPMENT

9.01. Addition of Land. Declarant may, at any time and from time to time, add additional land to the Property and, upon the filing of a notice as hereinafter described, such land shall be considered part of the Property for purposes of this Declaration, and such land shall be subject to the terms, covenants, conditions, restrictions and obligations set forth in this Declaration, and the rights, privileges, duties and liabilities of the persons subject to this Declaration shall be the same with respect to such added land as with respect to the land originally covered by this Declaration. To add land to the Property, Declarant shall be required only to record in the Real Property Records of Travis County, Texas, a notice of addition of land (which notice may be contained within any notice of applicability filed pursuant to Section 9.05 of the Master Declaration) containing the following provisions:

(A) A reference to this Declaration, which reference shall state the volume and initial page number of the Travis County Real Property Records wherein this Declaration is recorded;

(B) A statement that such land shall be considered Property for purposes of this Declaration, and that all of the terms, covenants, conditions, restrictions and obligations of this Declaration shall apply to the added land; and

(C) A legal description of the added land.

9.02. Withdrawal of Land. Declarant may, at any time and from time to time, reduce or withdraw land from the Property and remove and exclude from the burden of this Declaration: (i) any portion

Siding on non-street facing elevations may be constructed of the horizontal Masonite lap siding, although "Hardi-Plank" material is preferred.
