3.04. **Voting Rights.** The right to cast votes and the number of votes which may be cast for election of members of the Development Area Association Board and on all other matters to be voted on by the Members shall be calculated as follows:

(a) The Owner of each Lot shall have one (1) vote for each Lot so owned. In no event, except as set forth in Section 3.04(c) below, shall any Lot be entitled to more than one (1) vote; provided, however, that in the event of the resubdivision of any Lot into two or more Lots, the number of votes to which such Lot is entitled shall be increased as necessary to retain the ratio of one (1) vote for each Lot resulting from such resubdivision. No resubdivision shall be effective, for purposes of the Association Restrictions, unless the same is approved by the appropriate governmental entity in accordance with the requirements of Chapter 212 of the Texas Local Government Code then in effect (or its successor statute),

and duly recorded in the Official Public Records of Travis County, Texas. In the event of the consolidation of two (2) or more Lots for purposes of construction of a single residence thereon, voting rights and Assessment Units shall continue to be determined according to the number of original Lots contained in such consolidated Lot. Nothing herein shall be construed as authorization for any resubdivision or consolidation of Lots; such actions are subject to and require the prior approval of the Master Architectural Control Committee pursuant to other provisions of this Declaration.

(b) In addition to the votes to which Declarant is entitled by reason of Section 3.04(a), for every one (1) vote outstanding in favor of any other person or entity, Declarant shall have four (4) additional votes until such time as Declarant no longer owns any of the Lots.

(c) The right of any Owner to vote may be suspended by the Development Area Association, acting through the Development Area Association Board, for any period during which any assessment against such Owner's Lot(s) remains past due, or for any period during which such Owner or such Owner's Lot(s) is in violation of the Association Restrictions.

The Development Area Association, acting through the Development Area Association Board, shall have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin any breach or threatened breach of the Association Restrictions. The Development Area Association, acting through the Development Area Association Board, is also authorized to settle claims, enforce liens, and take all such action as it may deem necessary or expedient to enforce the Association Restrictions; provided, however, that the Development Area

ARTICLE IV

INSURANCE AND CONDEMNATION

4.01. Insurance. Each Owner shall be required to maintain insurance on the Improvements located upon such Owner's Lot, providing fire and extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for Improvements similar in construction, location and use. Such insurance policies shall be for the full insurable value of the Improvements constructed upon each Lot, shall contain extended coverage and replacement costs endorsements, if reasonably available, and may also contain vandalism and malicious mischief coverage, special form endorsement, a stipulated amount clause and a determinable cash adjustment clause. Neither the Association nor the Development Area Association shall be required to maintain insurance on the Improvements constructed upon any Lot. The Association or the Development Area Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board or the Development Area Association Board in their discretion may deem necessary. Insurance premiums for such policies shall be a common expense to be included in the assessments levied by the Association, as the case may be. The acquisition of insurance by the Association and the Development Area Association shall be without prejudice to the right and obligation of any Owner to obtain additional individual insurance.

4.02. Restoration. In the event of any fire or other casualty, the Owner shall promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement shall be commenced and completed in a good and workmanlike manner using exterior materials identical to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within thirty (30) days after the occurrence of such damage or destruction, and thereafter prosecute same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) days after the occurrence of such damage, the Association or the Development Area Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner shall be personally liable to the Association and/or the Development Area Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by law, regulation or administrative or public body or tribunal from commencing such repair, restoration, replacement or clean-up, the rights of the Association and the Development Area Association under this sentence shall not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association or the Development Area Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1-1/2%) per month) shall be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot shall be secured by the liens reserved in the Master Declaration or this Declaration for Assessments and may be collected by any means provided in

the Master Declaration and/or Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). **EACH SUCH OWNER SHALL INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION AND THE DEVELOPMENT AREA ASSOCIATION, AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S OR THE DEVELOPMENT AREA ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 4.02, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S OR THE DEVELOPMENT AREA ASSOCIATION'S GROSS NEGLIGENCE OR WILFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

4.03. Mechanic's and Materialmen's Lien. Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association or the Development Area Association pursuant to the rights granted under this Article IV, hereby grants to the Association and the Development Area Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Association or the Development Area Association. Upon request by the Board or the Development Area Association Board and before the commencement of any reconstruction, repair, restoration or replacement, such Owner shall execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association or the Development Area Association.

ARTICLE V

COVENANT FOR ASSESSMENTS

THE PROVISIONS CONTAINED IN THIS ARTICLE V SHALL BE OPERATIVE ONLY IN THE EVENT A DEVELOPMENT AREA ASSOCIATION IS CREATED PURSUANT TO SECTION 3.01; PROVIDED, HOWEVER, THAT THE MASTER ASSOCIATION MAY AVAIL ITSELF OF THE LIENS RESERVED IN SECTION 5.08 FOR THE PURPOSE OF DISCHARGING ANY LIABILITY INCURRED BY AN OWNER AS A RESULT OF SUCH OWNER'S VIOLATION OF ANY TERM OR PROVISION OF THIS DECLARATION.

5.01. Development Area Assessments. Each Owner of any Lot, by acceptance of a deed therefor or ownership interest thereto, whether or not it shall be so expressed in any such deed or other conveyance document, shall be deemed to covenant to pay to the Development Area Association: (i) Development Area Assessments or charges (as specified in Section 5.03 hereof); (ii) Special Development Area Assessments (as specified in Section 5.04 hereof); and (iii) late charges (as specified in Section 5.06 hereof). All of such Development Area Assessments shall be fixed, established, and collected from time to time as hereinafter provided. **The Development Area Assessments provided for under this Article V shall be in addition to the assessments levied pursuant to the Master Declaration.** Notwithstanding any provision in this Declaration to the contrary, Development Area Assessments shall not be assessed against any Lot owned by Declarant.

5.02. Purpose of Development Area Assessments. The Development Area Assessments levied by the Development Area Association shall be used exclusively for the purpose of promoting the comfort, health, safety, and welfare of the Owners, and the maintenance and improvement of the Property or any part thereof, including, without limitation, the Development Common Area, and for carrying out

the purposes of the Development Area Association as stated herein or as otherwise provided in the Articles or Bylaws.

5.03. Establishing Development Area Assessments. Each fiscal year, the Board shall estimate the expenses to be incurred by the Development Area Association during each year in performing its functions with respect to the Property, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Development Area Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided, and as between the Lots within the Property, the amount of the Development Area Assessments levied against each Lot shall be equal and uniform. The level of Development Area Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Development Area Assessment, the Development Area Association may at any time, and from time to time, levy further Development Area Assessments in the same manner as aforesaid. All such regular Development Area Assessments shall be due and payable by each Owner to the Development Area Association during the fiscal year in equal monthly, quarterly, semi-annual, annual, or other periodic installments, as the Board determines in its sole discretion, on or before the first day of the applicable period.

5.04. Special Development Area Assessments. In addition to the Development Area Assessments authorized by Section 5.03 hereof, the Development Area Association may, by vote of its Members as set out in Section 5.04 hereof, levy special Assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of any Improvement located upon any of the Development Common Area, or any portion of the Property owned by the Development Area Association, including the necessary fixtures and personal property related thereto, or for carrying out other purposes of or otherwise benefitting the Development Area Association. Special Development Area Assessments levied against the Owner(s) of a particular Lot to cure violations of the Association Restrictions by such Owner(s) shall be deemed approved and authorized automatically upon the occurrence of the events giving rise to such curative special Assessments. Special Development Area Assessments to be levied against all Owners as authorized by Section 5.04 hereof must be approved by a majority of the total votes of the membership of the Development Area Association determined in accordance with Sections 3.03 and 3.04 of this Declaration, voting in person or by proxy, at a meeting duly called for such purpose, written notice of which shall be given to all Members in accordance with the Bylaws.

5.05. Due Date of Development Area Assessments. The first Development Area Assessment shall become due and payable on each Lot in accordance with the periodic payment schedule established by the Board in accordance with Section 5.03. The due date of any special Assessment hereunder shall be fixed in the resolution authorizing such Development Area Assessment or, if not so fixed or established by other terms of this Declaration, the first day of the first month following the imposition of such special Assessment. Payments shall be considered delinquent if not paid within five (5) days after their due date. Where the obligation to pay an Development Area Assessment first arises after the commencement of the fiscal year or any other period for which the Development Area Assessment was levied, the Development Area Assessment shall be prorated as of the date when the obligation first arose in proportion to the amount of the Development Area Assessment year or other period remaining after said date.

5.06. Late Charges. If any Development Area Assessment is not paid before it is delinquent, the Owner responsible for the payment thereof may be required by the Board to pay a late charge at such rate the Board may designate from time to time, and such late charge (and any reasonable handling costs therefor) shall be a charge upon the Lots owned by the said Owner to which the Development Area Assessment relates, collectible in the same manner as herein provided for collection of Development Area

Assessments, including foreclosure of the lien against such Lot(s); provided, however, such charge shall never exceed the maximum charge permitted under applicable law.

5.07. Owner's Personal Obligation for Payment of Development Area Assessments. The Development Area Assessments and late charges provided for herein shall be the personal and individual debt of each Owner. No diminution or abatement of Development Area Assessments shall be allowed for inconveniences arising from the making of repairs or improvements to the Development Common Area or any Lot, and no Owner may exempt himself from liability for such Development Area Assessments and charges through non-use of such Owner's Lot or otherwise.

5.08. Development Area Assessment Lien and Foreclosure. All sums assessed or charged in the manner provided in this Article but unpaid, together with all costs and expenses of collection, including reasonable attorney's fees, are secured by a continuing Development Area Assessment lien and shall constitute a charge on or against the Lot covered by such Development Area Assessment or charge, which shall bind such property in the hands of the Owner, and such Owner's heirs, devisees, and personal representatives, successors or assigns. The obligation to pay Development Area Assessments hereunder is part of the purchase price of each Lot when sold to an Owner. An express lien on each Lot is hereby granted and conveyed by Declarant to the Development Area Association to secure the payment thereof in each such instance, each such lien to be superior and paramount to any homestead or other exemption provided by law. The aforesaid lien shall be superior to all other liens and charges against the said Lot, except only for tax liens, and all sums unpaid secured by a first-lien Mortgage securing sums borrowed for the purchase or improvements of the Lot in question, provided such Mortgage was recorded in the Official Public Records of Travis County, Texas before the delinquent Development Area Assessment was due. The Development Area Association shall have the power to subordinate the aforesaid Development Area Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination must be signed by an officer of the Development Area Association. The Development Area Association may, at its option and without prejudice to the priority or enforceability of the Development Area Assessment lien granted hereunder, prepare a written notice of Development Area Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice shall be signed by one of the officers of the Development Area Association and shall be recorded in the Official Public Records of Travis County, Texas. Each Owner, by accepting a deed to a Lot subject to this Declaration, shall be deemed conclusively to have granted a power of sale to the Development Area Association to secure and enforce at any time after such payment becomes delinquent by the non-judicial foreclosure of such lien on the defaulting Owner's Lot by the Development Area Association in like manner as a deed of trust or real property mortgage with power of sale under Tex. Prop. Code § 51.002. (For such purpose, Robert D. Burton of Travis County, Texas is hereby designated as trustee for the benefit of the Development Area Association, with the Development Area Association retaining the power to remove any trustee with or without cause and to appoint a successor trustee without the consent or joinder of any other person.) The Development Area Assessment liens and rights to foreclosure thereof shall be in addition to and not in substitution of any other rights and remedies the Development Area Association may have by law and under the Association Restrictions, including the rights of the Development Area Association to institute suit against the Owner personally obligated to pay the Development Area Assessment for monetary damages and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or non-judicial, the Owner shall be required to pay the costs, expenses, and reasonable trustee's and attorney's fees incurred. The Development Area Association shall have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee holding a prior lien on any Lot, the Development Area Association shall report to said Mortgagee any Development Area Assessments remaining unpaid for longer than thirty (30) days after the same are due. The lien hereunder shall not be affected by the sale or transfer of any Lot; except,

however, that in the event of foreclosure of any first-lien Mortgage, the lien for any Development Area Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Development Area Assessments shall be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the first-lien Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Lot Owner from paying assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this paragraph, the Development Area Association shall upon the request of the Owner execute a release of lien relating to any lien for which written notice has been filed as provided above, except in circumstances in which the Development Area Association has already foreclosed such lien. Such release shall be signed by an officer of the Development Area Association.

5.09. Exemptions. Notwithstanding any provision herein to the contrary, all Common Area, Development Common Area, and any Lot owned by the Declarant shall be exempt from the payment of any Development Area Assessment levied by the Development Area Association, regular or special.

(c) Any violation of any federal, state, or local law, ordinance, or regulation pertaining to the ownership, occupancy, or use of any portion of the Property is hereby declared to be a violation of this Declaration and subject to all of the enforcement procedures set forth herein.

6.09. Construction. Architectural Submissions

- Before architectural plans can be submitted to the Architectural Committee for review, a meeting with the Architectural Committee representative, architect, homeowner and/or builder, must be scheduled. This meeting will allow an opportunity for all involved to understand the guidelines and restrictions, before design has been undertaken.
- Color boards for all exterior colors and materials will be required to be submitted with the final application for approval.

Facade Design

- 100% masonry required. This includes brick, stone or stucco. The Architectural Committee may consider a variance to this requirement for unique architectural design, in keeping with a "Texas Hill Country" style, that uses cement masonry siding as an integral part of the design.
- Due to the high visibility of these homes to the lake and Quinlan Park Road, special consideration should be given to the design of the front and rear elevations of the homes. Flat or "boxy" elevations will not be allowed. Variation in the planes, both horizontally and vertically, are required.

Roofing

- Concrete or clay tile, or painted, non-reflective, metal roofing is required. No composition shingles will be allowed.

Fencing and Walls

- Consistent "wrought iron" styled fencing will be required at the rear property line adjacent to Quinlan Park Road of the following lots: **Block E, Lots 1 – 6 and Lots 26 - 37.** All other side and rear lot fencing is optional, however all fencing designs must be submitted to the Architectural Committee for review. Materials to be used for optional fencing are limited to "wrought iron" styling, and in some cases masonry accents, as determined by the Architectural Committee. Installation of fencing may not commence until written approval of final design is received from the Architectural Committee.
- If trash containers are to be stored outside, a masonry wall to match the exterior of the house must be constructed to shield the containers from view at the street and from adjacent lots.

Flat Work

- No broom finish concrete allowed. Only stained concrete or special finish concrete allowed.
- Flatwork design, plot plan and specifications, to be submitted with architectural plans. Acceptable flat work materials may be, but are not limited to, aggregate concrete, stained concrete, or brick/stone pavers.
- Circular drives will be allowed.
